

Total Ministry Development Group

Fall Gathering

September 18-19, 2015
St. John's Episcopal Church, Petaluma

This year's theme will focus on how we live in community—
within our congregation, our larger church community, our
local community within which we live and the global
community

Please join us to share your experiences and to discuss how we can “walk in the way of Jesus.” **Registration begins August 1st.**

Churches will receive packets by mail, and you will be able to download the registration form directly from the Total Ministry webpage at www.norcalepiscopal.org/total-ministry.

Stay tuned!
